About Us

Who is Sizzix?

Launched in 2001 as the craft division of our parent company, Ellison® Educational Equipment Inc., Sizzix® has firmly established itself as the industry pioneer and global leader of innovative die-cutting solutions for today's crafting community.

Through our expansive portfolio of award-winning products, we are able to serve you, our valued retail partners, with unsurpassed quality, innovation and inspiration to empower expression in all. The Sizzix® and Ellison® brands are available in over 100 countries and continue to capture the next generation of creativity.

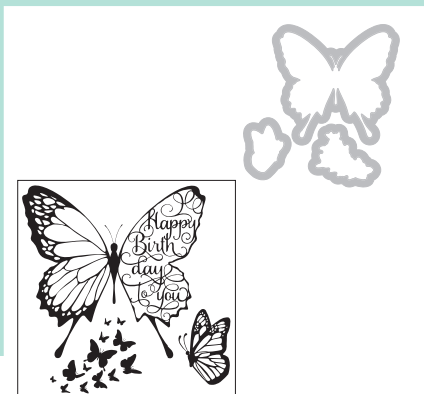

A close-up photograph showing a cork board and a roll of cork material. The cork board is a large, rectangular piece of cork with a natural, textured surface, resting on a dark grey cutting mat with a white grid pattern. A roll of cork material is partially unrolled, showing the same textured surface. The text "New Products" is overlaid in white at the bottom.

Sizzix™ Accessory - Stencil and Stamp Tool

1

Remove the Stencil Adapter from the Base and place the Base on a sturdy surface with the foam backing facing down.

2

Remove the release liner from the Sticky Grid Sheet. Do not discard the release liner it is best to replace liner before storing.

3

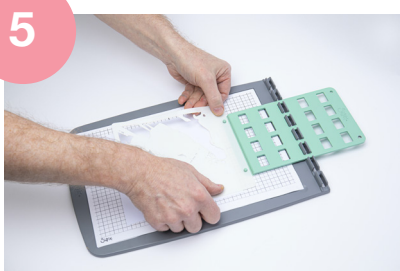

Place the surface/project to be stencilled onto the Sticky Grid Sheet.

4

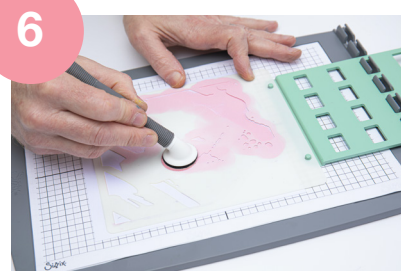

Position the Stencil Adapter on the hinge, to align vertically and horizontally with the desired surface/project area.

5

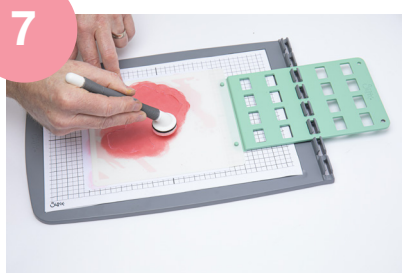

Place the first Layered Stencil (marked '1') onto the two pegs at the bottom of the Stencil Adapter.

6

Apply the desired medium to the Stencil to create the first layer.

7

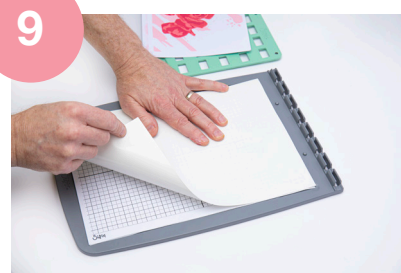

Remove Stencil 1 and replace with Stencil 2. Apply the next layer of medium through the Stencil.

8

Repeat the same process for the remaining Layered Stencils in numerical order.

9

Carefully remove the medium layered surface/project from the Sticky Grid Sheet and replace the release liners on the Sticky Grid Sheet for storage.
