## About Us

### Who is Sizzix?

Launched in 2001 as the craft division of our parent company, Ellison® Educational Equipment Inc., Sizzix® has firmly established itself as the industry pioneer and global leader of innovative die-cutting solutions for today's crafting community.

Through our expansive portfolio of award-winning products, we are able to serve you, our valued retail partners, with unsurpassed quality, innovation and inspiration to empower expression in all. The Sizzix® and Ellison® brands are available in over 100 countries and continue to capture the next generation of creativity.

A collection of die-cut shapes is scattered on a light-colored surface. The shapes include several butterflies in silver and pink, a heart, a star, and various decorative frames and tags. A white die-cutting machine is partially visible at the top left. A green rectangular box with a white border is centered over the image, containing the text.

# New Starter Kits

## Introducing – A new look to our best-selling starter kits!

Perfect for beginners, our Big Shot® and Big Shot® Plus Starter Kits have had an exciting refresh, ready to launch in Q3 2023! These kits give makers the opportunity to create straight out of the box. With EXCLUSIVE dies and an embossing folder included, along with a selection of Sizzix opulent and core color cardstock, there is plenty to love about these kits!

## The perfect introduction to the Sizzix brand...

- Ideal for beginners and perfect for gifting – stock up ahead of Christmas 2024!
- Opportunity to explore both die-cutting and embossing.
- Perfect for all kinds of papercraft, from cardmaking and scrapbooking to gift wrap embellishments, home décor and more.
- Plenty of project ideas to support makers on the Sizzix website and through videos and social media to support the launch and beyond.
- Die and embossing folders designed to be suitable all year round and for all occasions. With always popular frames, butterfly and floral shapes featured, plus embossing folders with timeless patterns, makers will use these again and again.
- Everything you need to start creating straight out of the box.

# What's new...

## Inspirational content

- Brand new and EXCLUSIVE dies and embossing folder in each kit.
- Dies and embossing folder each come fully packaged, giving further inspiration to the maker and enhancing the value in the box.
- Introduces our popular Sizzix Surfacez™ with a selection of core color and opulent cardstock included, giving future opportunities for you to upsell the rest of the range.

## Fresh packaging

- New modern look to the outer box retail packaging, with a premium finish featuring inspiring makes using the kit contents.
- Product-focused imagery – Our packaging shows off the machine from different angles, to demonstrate the aesthetics and form. Key features and USPs are included on the box.
- Use of icons – Clever use of iconography allows us to reduce the amount of text used on the packaging, improving its aesthetic whilst quickly delivering information in a more universal form of communication.

## Supporting education for users

- QR codes on the box linking to the machine's hub on the Sizzix website for even more information and inspiration.
- New look machine platforms included – featuring updated icons to support current accessories/ technologies.
- Platforms also feature QR codes - links to how to videos using the machine with different technologies – perfect for those new to die-cutting.

The background features a soft watercolor wash in shades of pink and light purple. A prominent, stylized pink flower with five petals and a central gold button is positioned in the upper left. The entire scene is framed by a thin, multi-layered border consisting of a light pink inner line, a yellow middle line, and a white outer line. In the top right corner, a portion of a white grid-patterned object, likely a ruler or a notebook page, is visible.
