About 49 and Market

Prior to starting 49 and Market, Janene Meyerowitz, owned an online scrapbooking business, thescrapbookdiaries.com. After several years of specializing in kits designed by globally recognized designers, it became increasingly difficult to find the look and types of products she was drawn to. As a result of this, 49 and Market was born. The brand has built its reputation as a premium paper crafting brand through offering high quality products and designs that are fresh yet offer a vintage vibe.

About Katie Pertiet

Katie Pertiet has been a graphic designer for over thirty years and found her passion in surface design with a love for all things vintage. She has been licensing her designs for nearly 20 years and designing for the scrapbook market for just as long. She began designing for 49 and Market when the company launched in 2016. Katie blends patterns, colors, textures and antique imagery to create something new and fresh that connects with the modern crafter. Watercolors have been her go-to medium since her design school days and currently a favorite in her crafting and design. She is thrilled to be designing for Sizzix and bringing her unique love of vintage and mixing in a water color approach for fresh design which are sure to become classics.
