### About Catherine Pooler

Catherine Pooler's journey with papercrafts began over 30 years ago, where she ventured from creating simple scrapbooks in high school to storytelling and creating scrapbook memories when her first daughter was born. After attending her first stamping party, her skills and love for papercrafting grew and she began teaching her very own classes at home. As the internet became more accessible, Catherine moved to teaching online and was astounded by the fact she could connect with people from all over the world. She launched her StampNation online community in January of 2011 as a place for crafters to share, learn and grow among kindred spirits.

Being surrounded by this creative community, allowed Catherine to learn more about makers; their journeys, passions and challenges. She wanted to support her community in being successful in their creative endeavors, which led her to launch her first Stamp of Approval collection in 2015. Each quarterly collection of products included her signature designs complete with background components, sentiments and dies, all thoughtfully curated to provide a full creative solution. Her success has continued over the years with growing product lines, including Catherine's signature ink range. Catherine's passion for creativity and connection with her audience has ensured that the wants, needs and desires of consumers' are always at the forefront of her high quality product releases. This is a shared value between both the Catherine Pooler and Sizzix brand, that will remain at the core of this exciting new partnership!

# About Stacey Park

Stacey Park is the owner of Scrapbooking Made Simple, a thriving online retailer and highly successful independent papercrafting brick and mortar shop in the US. From a successful career with a fine jewelry manufacturer, Stacey decided to embark on a new venture after starting a family. She was introduced to the world of arts and crafts through friends, and was immediately struck by the excitement, passion and warmth of the craft community. Recognizing an opportunity to open a craft store herself which offered the personal service she often saw lacking in larger chain stores, Stacey opened Scrapbooking Made Simple in Canyon Country, California in 2002. The store has had exponential growth over the last 20+ years, spearheaded by Stacey's enthusiasm, knowledge and passion for the industry. With a successful storefront, a global ecommerce retail store and social media following, Stacey has a strong and authentic connection to her loyal consumers, which will shine through the products and innovation that she brings to the Sizzix brand.
