Sizzix  
STUDIO™

vic hollins

Fresh from their first collection for Sizzix Studio in 2024, Cat Kerr and Vic Hollins are back with new inspiring designs to brighten up 2025! Each stencil and stamp set have been thoughtfully created to give you unique and exciting designs for you to explore and get artistic with.

## Cat Kerr

is a mixed-media artist based in Central Florida. As a full-time artist, she constantly explores new techniques and mediums to broaden her skills and knowledge. Cat is a licensed designer with over 80 products, teaches workshops, and works as an independent contractor with some of the top companies in the arts and crafts industry.

Cat's work has been featured in over 80 national and international publications since 2011, ranging from metalwork and art journaling to fashion and is proud to have had her projects featured on five magazine covers.

# Vic Hollins

is a professional illustrator and mixed-media artist based in Tucson, Arizona. With a strong foundation in the arts, Vic holds a BFA degree with a specialization in illustration.

Her artistic journey has been profoundly influenced by the captivating beauty of the desert, intricate patterns, and a vibrant color palette. As an Art Ambassador for Royal Talens since 2016, Vic's impact reaches beyond her hometown - she has traveled all over, sharing her expertise through workshops, and demonstrations.

# Sizzix Studio™ Registration Press Tool and Hinge Adapter

The beauty of the Sizzix Studio™ Registration Press Tool system is it provides a platform to achieve a polished and professional result, regardless of experience or skill set. The effortless nature of the activity allows the participant to immerse themselves into the process. The dual-purpose system ensures the layered stencils and stamps are perfectly registered, providing accurate, professional results every time.

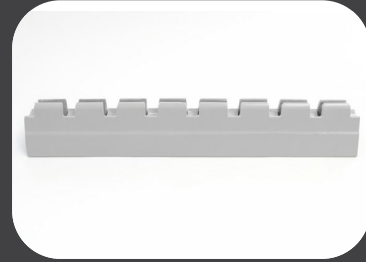

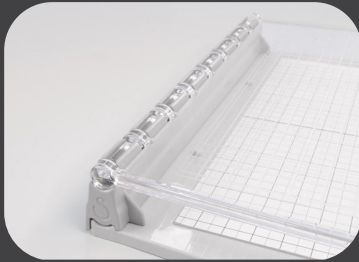

## 666771 Sizzix Studio™ - Registration Press Tool

## 666772 Sizzix Studio™ Accessory - Registration Press, Hinge Adapter

With the introduction of the new Hinge Adapter, the tool can now be elevated to the next level, allowing artists to stencil and stamp directly onto canvases, sketchbooks and other dimensional surfaces to create professional-looking layered art.

### Stenciling

### Stamping

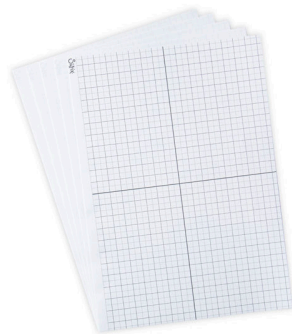

# Supporting Tools and Accessories

To provide artists with all the tools they need, we have developed a comprehensive section of tools and accessories to enhance the creative experience and offer a full in-store solution.

**666787**
