

Sizzix®

100010-SX2554

This collection of dies, stamps, stencils and an embossing folder brings the whimsical charm of hot air balloons and playful kites with tails that seem to dance in the wind! The range features fun designs that all work together perfectly and can be used for a whole host of occasions.

A set of sentiment stamps is included along with birthday bunting and cloud accents to complete the collection. Together, these designs inspire creativity, making it easy to craft scenes of airborne delight!

About Catherine Pooler

Catherine Pooler's journey with papercrafts began over 30 years ago, where she ventured from creating simple scrapbooks in high school to storytelling and creating scrapbook memories when her first daughter was born. After attending her first stamping party, her skills and love for papercrafting grew and she began teaching her very own classes at home. As the internet became more accessible, Catherine moved to teaching online and was astounded by the fact she could connect with people from all over the world. She launched her StampNation online community in January of 2011 as a place for crafters to share, learn and grow among kindred spirits.

Being surrounded by this creative community, allowed Catherine to learn more about makers; their journeys, passions and challenges. She wanted to support her community in being successful in their creative endeavors, which led her to launch her first Stamp of Approval collection in 2015. Each quarterly collection of products included her signature designs complete with background components, sentiments and dies, all thoughtfully curated to provide a full creative solution. Her success has continued over the years with growing product lines, including Catherine's signature ink range.

Catherine's passion for creativity and connection with her audience has ensured that the wants, needs and desires of consumers' are always at the forefront of her high quality product releases. This is a shared value between both the Catherine Pooler and Sizzix brand, that will remain at the core of this exciting new partnership!
