

A collection of Sizzix crafting tools and materials arranged on a light-colored wooden surface. On the left, a large white Sizzix Big Shot die-cutting machine is partially visible. In the center, two clear, circular cutting pads are stacked. To the right, a pair of silver-handled pliers and a grey-handled scoring tool are shown. Several paper flowers in teal and light blue are scattered around, along with a small white cylindrical object. The background includes a piece of lined paper and a green textured card.

Circular Cutting Pads
June 2025 Launch

100010-SX2559

666941 Sizzix® Circular Cutting Pads, 2PK, 3 ½" diameter and 5" diameter

These new Circular Cutting Pads make it quick and easy to cut smaller sized dies, replacing the standard cutting pad on the top of the sandwich. The main benefit is with the circular shape, you won't be running the cutting pad through at the same orientation every single time so it reduces a tendency to warping that we sometimes see with the rectangular cutting pads over time. The pads feature bevelled edges to help with entering through the rollers and comes in 2 sizes supporting small and medium sized dies (3 ½" and 5" diameters).

*Continue to use a standard cutting pad on the base of the sandwich.

Approximate Sizes:

3 ½" x 3 ½" x 1/8"

5" x 5" x 1/8"

8.89cm x 8.89cm x 0.32cm

12.7cm x 12.7cm x 0.32cm
