BECHARMED COLLECTION
Crystals from Swarovski

With its lustrous brilliance and yet practical functionality, the versatile BeCharmed Collection is a creative dream come true. Spanning myriad colors and effects, the range encompasses BeCharmed Beads, BeCharmed Charms, BeCharmed Rondelles and glittering BeCharmed Pavé. Wear them various ways – as a bracelet or a necklace pendant, or add charms to your shoelaces to sparkle up your sneakers!

Self-adornment has been part of human culture for millennia, with jewelry one of the most ancient artifacts – some bead discoveries date back 100,000 years. Worn for a variety of reasons including status display, tribal membership, and beautification, jewelry has similar associations today. But at the heart of the modern look is a desire to break away from conformity and stand out from the crowd. Through our crystals and beads, we enable women to express their individuality, bringing sparkle to everyday life.

Why Swarovski

EXCELLENCE, THROUGH INNOVATION AND ORIGIN

X-CUT

Advanced optical measurement and high-precision manufacturing deliver premium cuts characterized by unmatched brilliance.

HOTFIX GLUE

The variable temperatures at which Hotfix glue can be activated enable the application of crystals on a broad range of textiles.

PLATINUM PRO

With its new advanced foiling technique, Swarovski has set a new standard in the lifespan of crystals.

CRYSTALS - MADE IN AUSTRIA

The combination of innovation with sustainability and respect for individual wellbeing means that quality is always assured.

PREMIUM, BY SERVICE AND DESIGN

DESIGN SERVICE

Throughout its global network of Design Centers, Swarovski offers exceptional service provided by the industry's best creative talent.

GLOBAL SERVICE

Swarovski's Global Service Network provides customers with dedicated personal assistance on a local level.

APPLICATION SERVICE

A comprehensive range of application services means customers benefit from the extensive experience of leading international experts, as well as internal specialists.

DESIGNER EDITIONS

Creative collaborations with top designers result in exclusive cuts and unique designs for Swarovski crystal.

COMPLIANCE, WITH INTEGRITY

ADVANCED CRYSTAL

Swarovski's patented lead-free* formula has changed the DNA of crystal while still offering the same sparkle, dependability, and variety for which Swarovski is famous.

*Crystal glass and all other materials containing 0.009% lead or less.

CLEAR

Regular legal monitoring of chemical requirements and reasonable testing provide customers with the comfort of trust in Swarovski's products.

OEKO-TEX

Oeko-Tex® Standard 100 Class II (direct contact with skin) certification creates confidence in chemical safety of textile applications.

COMPLIANCE SERVICE

Assessments regarding substance limitations as well as compliance information and advice to support customers in complying with relevant laws, regulations, and voluntary standards.
