

**stafil** cartella n.16

tessuti jacquard  
altezza 140 cm  
100% poliestere

|244605-1|

A rectangular fabric swatch with a red herringbone pattern. The pattern consists of fine, interlocking V-shaped lines. The fabric has a slightly textured appearance. On the left side, there are two small circular holes. In the top right corner, there is a white rectangular label with the text '244605-2' in black, flanked by vertical bars.

| 244605-2 |

A rectangular piece of blue herringbone fabric is shown. The fabric has a repeating V-shaped pattern of blue and light-colored threads. On the left edge, there are two circular punch holes. A white label with black text is positioned in the upper right area of the fabric.

|244605-3|

A rectangular piece of brown fabric with a herringbone pattern. The fabric has a slightly frayed edge on the left side. Two circular holes are visible on the left edge. A white label with rounded corners is attached to the right side of the fabric. The label contains the text "244605-4" in black, flanked by vertical bars.

| 244605-4 |

| 244605-5 |

A rectangular piece of red, textured fabric with a scalloped edge. The fabric has a fine, woven texture and a slightly mottled appearance. Two circular holes are visible on the left side. A white label with black text is positioned in the lower right corner.

| 244605-7 |

| 244605-8 |

|244605-9|

A rectangular fabric sample with a repeating herringbone pattern in shades of red and white. The pattern consists of interlocking V-shapes. On the left side, there are two circular punch holes. In the top right corner, there is a white rectangular label with the text '244605-10' printed in black. The fabric has a slightly textured appearance.

244605-10

A rectangular piece of blue herringbone fabric is shown against a white background. The fabric has a repeating zigzag pattern. On the right side, there is a white rectangular label with rounded corners containing the text '244605-11'. On the left edge, there are two circular punch holes. The fabric's texture is clearly visible, showing the interlacing of threads.
